MISSION SAN JOSE

K133

Mission San Jose was the second of several Missions named after St. Joseph, founded in 1720 by the Franciscan Monks, and was used in converting the Indians. It was also used as a place of refuge from the hostile Indians. The hand carving on the facade of the main entrance is conceded by the experts to be one of the finest specimens of ancient carving.

Most wet & stormy down here - Changed from a sweater & tweed suit to a thin summer dress yesterday 86°. Not as warm today - 76°. We drove 2400 miles & the last day Tom drove 788 miles - Instead of stopping we kept going! Only place was in Pennsylvania where it rained like Boston. Best regards from us all. Alw
